## Mission Statement

"Our aim is to keep the traditional side of the dance alive and to further the horizons of Bhangra, so that it could be enjoyed by a wider audience and not just restricted within the Asian communities"

Gabhru Panjab De Bhangra Dancers are available for all kinds of events. We have featured in many mainstream music videos and worked with many local schools providing educational workshops.

**LOVE • BREATHE • EAT • SLEEP • DANCE • BHANGRA**
